

Link Ship Chandlers is an expert South African based supplier of maritime provisions, equipment and technical parts, to local and **international vessels** bound for **Cape Town, Saldanha, Port Elizabeth, Coega, Durban or Richards Bay**. We specialise in Cruise Liner and **Shipping Logistics**, Clearing and Forwarding, as well as Import and Export **Supply-chains** for the Maritime Passenger, Offshore Gas and Oil Rig industries.

What Services Do We Offer?

With a physical or proxy presence now in all major South African ports, we are strategically located to serve all South African harbours. Our simple yet secure procurement and delivery process is able to handle multiple currency transactions and gives you access to the following Ship Chandler Services:

The Supply of Provisions & Bonded Stores

We supply superior quality, locally sourced, fresh, frozen, dry and bonded provisions available from South Africa. In this category you will find our pricing to be the most competitive in the market. Try us and become part of our growing list of satisfied clients.

The Supply of Ship Spare Parts

We can provide deck, engine, electrical stores, and nautical equipment to civilian, military and industrial maritime industries in South African ports.

The Supply of Maritime Safety Equipment

Everything from life rafts and life jackets to immersion suits and pyrotechnics can be purchased through us, all of which conform to the most stringent international safety standards.

The Facilitation of Waste, Sludge and Slop Removal

We can schedule either quayside or barge-facilitated removal of trash and waste, sludge and slop from your vessel.

Procurement of Global SIM-cards

Let your crew call, SMS and use the internet in 171 countries worldwide with the Sim4Crew Global SIM-cards that we can procure on your behalf.

Off Port Limits Loading & Replenishment at Sea

Our Off Port Limits (OPL) Loading and Replenishment at Sea services extend to all of the above services mentioned on this page.
